EXPERIENCE

Chief Technology Officer & Co-founder

AloaLabs

July 2015 - ongoing San Francisco Bay Area & Dallas Area

AloaLabs is a startup with a focus of utilizing technology to develop software/hardware applications to benefit others

- Lead fast-paced development of several apps on multiple platforms
- Have successfully managed projects for 10+ clients in our first 3 months of operation
- Designed and implemented unique consulting model in April 2016, and reached \$50,000 in revenue over Summer 2016

Swim Program Coordinator & Head Swim Instructor

Four Seasons Resort and Club

May 2014 - Aug 2015 Irving, Texas

Redesigned and expanded the Four Seasons summer swim program

- Successfully promoted program to attract new clients
- Received high acclaim from clientele and set record for number of lessons given by facility
- Developed application (Lesson Buddy, see projects) while working here to make lesson communication and planning more efficient
